Guidance Notes.

What is a disabled reduction? It is a reduction in your council tax bill and can be claimed if you are a disabled person living alone or if a disabled person lives with you.

How do I Qualify?

In assessing the application, the authority will need to be satisfied that the following criteria apply.

- There is a disabled resident who needs space for a wheelchair to be used inside the home, OR
- A room which is not a bathroom, kitchen or lavatory and which is predominantly used by and is required for meeting the needs of the disabled person OR
- A bathroom or kitchen which is not the only bathroom or kitchen within the dwelling, and which is required for meeting the needs of the disabled person.

How much will the reduction be?

If you qualify your Council Tax bill will be reduction by one valuation band. For example, if your property is valued in Band D and you qualify for a reduction, you will be charged the Council Tax which relates to a Band C. With effect from 01/04/2000 those people who are living in a Band A property and qualify for the disabled discount will be entitled to a reduction in their council tax. This will be calculated as 1/9th of the amount for a Band D property.

Who should make the claim for reduction?

The person who is liable to pay the council tax bill for your home must make the application. Where more than one person is liable, any of the liable persons can make the claim.

How will the claim be dealt with?

Once we receive your completed application form, this will be assessed and if any further information is required an officer will be in touch

Do I have to provide Medical Evidence?

If the medical evidence is required, you will be given a form to take or send to your doctor.

Please continue to pay the current amount on your bill until your account has been adjusted and we have sent you an official notification a discount has been applied to your account.
