

BONFIRES

**Please note that bonfires on allotments are
only permitted between**

1st October and 30th April

Outside these times, fires are not permitted. They are subject to the following restrictions:

- Are solely for disposing of dry vegetation resulting solely from your plot.
- Do not cause a nuisance or annoyance to any neighbouring plots or properties.
- Is at least 10 metres from any hedge or fence and is fully extinguished before leaving your plot.

Failure to comply with this will be a breach of your tenancy and may result in you losing your plot.

Where fires cause a nuisance to neighbouring properties and roads or waste is burned that has come from outside your plot, these are also prosecutable offences under the Environmental Health Act 1990 and may be referred to Worcestershire Regulatory Services for prosecution.
