

REDDITCH BOROUGH COUNCIL

Local Plan Scoping Consultation

Help shape how Redditch grows and develops up to 2044 — from housing and employment to transport, green spaces and community life.

OPEN 3 July – 14 August 2026

Redditch Borough Council is preparing a **new Local Plan** which will guide decisions on housing, employment, transport, green spaces, community facilities and the environment. We want to hear your views on the issues that matter most to you, and make sure the plan reflects the needs of Redditch's communities.

What we've done so far

Last year we ran an **Issues and Options** consultation on a range of topics about Redditch's future, and asked landowners and developers to suggest sites for potential allocation. That feedback remains important and will continue to inform the new Local Plan as it progresses.

What we're doing now

The Government has introduced a new plan-making system, and councils must now carry out a Scoping Consultation first. This is your chance to tell us what the Local Plan should cover and how we should engage with communities as it develops.

Why get involved?

We want the Local Plan to reflect the aspirations of everyone who lives, works and spends time here. Getting involved early helps us check we're focusing on the **right priorities** — and flags issues we should consider before detailed work begins.

Already told us your views?

Your earlier comments remain valuable and will still be considered. But we'd love to hear from you again, it helps us understand whether **local priorities have changed** and keeps the plan true to residents, businesses and community groups across Redditch.

What the Scoping Document asks about

- An overview of the new plan-making process
- Key priorities and challenges facing the Borough
- Potential locally specific planning policies
- Future consultation and engagement methods
- The Local Plan vision
- The evidence needed to support the plan

Important dates

OPENS

Fri 3 July 2026

CLOSES

5pm, Fri 14 August 2026

- Responses received after this date cannot be considered.
- Responses must be submitted in writing in one of the following ways:
Online, Email, Post

How to take part

The scoping document and online survey includes questions to help shape your response.
