HaUNTED HALLOWEEN LIGHT TRAIL PROGRAMME

Friday 31st October, 4pm - 9pm

A family-friendly event with illuminated pathways, themed zones, light projections, and live spooky characters.

CREEPY CARNIVAL

Meet the Creepy Ringmaster - pale, corpse-like skin beneath a warped top hat, his jagged grin frozen in wicked delight. Once a master showman, his booming voice brought wonder to every town. But behind the curtain, the acts were sacrifices. Now, his haunted circus roams endlessly, each show ending in terror.

PUMPKIN PATCH

Halloween magic has taken over our park, transforming it into a mystical Pumpkin Patch! Pick the perfect one to carve and take home, and keep your eyes peeled... you never know when a walking pumpkin head might appear!

LANTERN LAKE

Behold the haunting glow of Lantern Lake, where flickering Halloween lanterns and eerie pumpkins cast shadows across the misty waters. Smoke drifts over the surface, twisting and curling... and you can't help but wonder what might be lurking just beneath.

MYSTERIOUS HALLOWEEN DOOR

Enter if You Dare! The Halloween Door stands tall and strange. By day, it's ordinary. By night, mist curls, lanterns flicker, and shifting colours glow. Vines twist around its frame; the warm handle feels almost alive. When you find it, the air hums with possibility. The door is waiting. Will you enter?

HAUNTED GRAVEYARD

Be careful when you venture into our haunted graveyard. Through the iron gates, something is lurking among the coffins and tombstones. The park comes alive with ghosts, ghouls and more!

THE FORBIDDEN ATTIC

Some say the attic holds forgotten Halloween memories - old costumes, broken toys, and a gramophone that still plays eerie music. Shadows linger, stirred by the season's magic. Others believe mischievous spirits hide there, waiting for their one night of freedom. Whatever the truth, one thing is clear: the attic is forbidden. Enter if you dare... and be careful what you take with you when you leave!

CAPTAIN GRAVES

Ahoy! Join Captain Graves and his ghostly crew on a haunted voyage across the seven seas. Lanterns flicker, mist rolls in, and whispers of treasure lure the brave. But beware - on Halloween night, the sea hides secrets, and something always rises from the depths to guard the captain's prize...

SIRENS OF THE BLACKWATER

Long ago, she was a mortal woman in love with a sailor. A jealous sea witch cursed her into a mermaid, bound to the depths. Each Halloween, she rises, guided by drowned whispers, searching for her lost beloved. Gargoyles and spirits guard her, but nothing stops her haunting the shore... until she finds him - or claims another soul...

THE WITCHES LAIR

Deep in a twisted forest, the witch's lair awakens only on Halloween. Once mortal, she bound her soul to shadows to escape death. Her crooked home, wreathed in smoke and glowing pumpkins, holds cursed artefacts and ancient spells. Locals say those who enter glimpse forbidden knowledge - but few leave unchanged... or alive.

ACTIVITIES

A range of fun, family-friendly activities will be available, offering something for everyone to enjoy - from arts and crafts to seasonal treats and surprises.
