STREET PARKING PLACES, LIMITED WAITING AND
PROHIBITION OF WAITING ORDERS (Various)

CONDITIONS OF USE FOR PARKING PERMITS ISSUED IN THE REDDITCH RESIDENTS' AREAS
PERMIT PARKING SCHEMES

(VIRTUAL PARKING PERMITS ISSUED VIA MIPERMIT PORTAL)

1. The permit is valid for the lengths of roads as defined in the above Orders. The Conditions as set out in the relevant Orders will be the definitive conditions at all times.
2. There is a non-refundable charge of £10 per annum for a residents' or business parking permit and only three are permitted for each property. In addition, one visitors' permit can be issued free of charge for each property.
3. A vehicle registration document or valid motor insurance document and proof of residency is required for the issue of a residents' or business permit. If a visitor permit is required, proof of residency will need to be provided.
4. The vehicle permit holder must be the registered owner or keeper of the vehicle for which the permit is issued.
5. The permit does not guarantee that a parking space will be available.
6. The permit must be purchased through the MiPermit portal before using the parking space.
7. The permit must be cancelled immediately, if the holder ceases to reside at the property for where the permit was issued. The council reserves the right to cancel any permit if they believe the holder has ceased to reside at the property for where the permit was issued.
8. It is the permit holder's responsibility to ensure that if a vehicle registration has changed all registration details are complete and the appropriate evidence is provided before parking in the parking space via the MiPermit portal. Failure to do this may result in a Penalty Charge Notice being issued.
9. It is the permit holder's responsibility to ensure that all registration details are complete when registering a visitor permit for that parking space before the vehicle is left in that space.
10. The permit(s) is issued for a period of twelve months, or part thereof, from 1st April until 31st March the following year. Responsibility for the renewal of the permit (if applicable) rests with the permit holder. A reminder will be sent out approximately 60 days before the renewal date if a valid email address has been provided at the time of application.
11. Parking permits can only be obtained by application through the MiPermit portal.
12. Payment will be held until documentation has been verified. An email notification will be issued in the event there is a problem with your application. Please note you will need to resubmit your application with the correct information and make alternative arrangements for parking at the location if you do not have a valid permit.
13. Permit holders within the Smallwood Residents' Scheme may park within the resident bays on any of the roads included within the Smallwood Scheme. The applicable roads are: Lodge Road, Marsden Road, Millsbro Road, Mount Street, Summer Street and Union Street only.
14. Permit holders within the Grove Street Residents' Scheme may park within the resident bays on Archer Road, Other Road and Grove Street only.
15. Permit holders of Beaufort Street and South Street may park in either of these streets only.

16. Without a permit you will only be permitted to park for a limited period, as indicated on the applicable road signs. Beaufort Street and South Street are designated resident zones and therefore no parking is permitted unless a valid permit has been obtained and approved.
17. As the areas concerned are adopted Public Highways, a valid parking permit, does not override the need for all vehicles to have a valid Road Fund Licence (Road Tax), Insurance and where applicable, Vehicle Test Certificate (MOT).
18. We will hold and process your personal information in accordance with the data protection law. To view our Privacy Notice please go to: <https://www.wychavon.gov.uk/parking-privacy-notice>
